Our Core Values
At Lismore Heights Public School our motto is Aim High. Every day I walk around the school and am delighted to consistently see the high quality of support and teaching offered by staff at the school. But better than that is the high quality of work that is produced by our wonderful students: our fabulous writers, our amazing mathematicians, the artists, the athletes etc. What I see when I walk around the school and talk with our students are happy children who are keen to learn. Keep it up, kids!

Our school rules say that students should Be Safe, Be Respectful and Be Responsible. Whilst most of our students do this every day, there are a small number of students who sometimes forget and they let themselves, their families and their school down.

We aim to create a culture where children want to succeed in school: A culture where it’s deadly and cool to be in the right place, doing the right thing, at the right time. Please take the time to talk with your children about what it is that they want from school, and what they need to do to turn their dreams into a reality.

If we all work together (school staff, parents and students) we can achieve amazing things. So let’s all make that commitment to live by the school’s core values and Aim High, Be Safe, Be Respectful and Be Responsible, and ensure that all of our children reach their full potential!

Teaching Assistant Position at Lismore Heights PS
We are looking for a dedicated person to work alongside our wonderful students and dedicated staff as a School Learning Support Officer for 3 Terms from 29 April 2013 – 20 December 2013.

The successful candidate will:
- have an awareness of the needs of students with disabilities
- have the ability to work with students with emotional, physical or intellectual disabilities
- be an effective communicator.

Interested applicants should contact the school for further information, either in person or by telephone on: 66243344

Closing date for applications is COB Thursday 4 April 2013.

Mark Scotton
Principal

CHILD SAFETY!!!
Dear Parents and carers
For the safety of all our students please pick up and drop off your child at the Milton Street exit. The High Street entrance is for staff and service vehicles only!

If you are coming to the office please park in the parking bay on the street.

ACKNOWLEDGEMENT OF COUNTRY
LHPS would like to acknowledge the Wurdjbal-Wybal people who are the Traditional Custodians of this Land.

LHPS would also like to pay respect to the Elders both past and present of the Bundjalung Nation and extend that respect to other Aboriginals.
3/4LE Bridge Construction Company

Companies were formed, names were decided, materials were purchased to build a bridge out of paper across a 40cm canyon for a matchbox car to travel on.

Here are the finished products! This is science!

Canteen Roster

22 Mar – Stacey Y, Nicki
25 Mar – Sally
26 Mar – Rachel
27 Mar – Jodie

School Website—check it out!!

www.lismorehts-p.schools.nsw.edu.au

Our website is now live and continually being updated. The newsletter will appear each week as well as the calendar which lists upcoming events. Permission notes will also be uploaded. If you would like to receive your newsletter electronically please submit your email address to the office or email the school.

Lantern Parade

There is still a couple of vacancies in the lantern making workshops. Please refer to the attached permission note.
Succeeding in science
Encouraging your child to ask questions and helping them find the answers is top of the list in helping them to succeed in science.

Facts about tutors
Private tutoring to give kids a helping hand in their schooling is a growing business. However, it’s also an area where parents can be vulnerable to bogus offers and misleading advertising.

Public speaking
Does your child suffer glossophobia? Fear of public speaking is common. Try creating opportunities for your child to present speeches to the family, without putting pressure on them to perform. Here are some tried and true tips to make your child’s next speech a success.

Science starters
Did humans live with dinosaurs? Does the moon disappear in the day? Kids love to know the answers to life’s mysteries but there are a few facts they often get wrong in the name of science.

Kindergarten students practising the correct way to blow our noses.

PCYC Lismore
Do you need childcare for the April School holidays including the student free days of April 29th and 30th.
For ages 5 – 13.
Call Sharon or Nicole on 6621 6276 or email: lismore@pcycnsw.org.au

This is Corran and Nick. They are very enthusiastic Kinder students from our KC class.
This Year on Saturday 22nd June, Lismore Heights Public School is taking part in the Lismore Lantern Parade. We would really like to encourage lots of our students to take part in the parade, walking behind the school banner and carrying their own lanterns.

We are running workshops at school (alongside the organisers of the Lantern Parade) where the children can make and decorate their own lanterns. Workshops will take place on Monday 3rd June and are open to children in all classes. There will be 2 workshops and each will cater for 30 children. Workshop 1 is for students in Years 3/4/5/6. Workshop 2 is for students in Years Kinder/1/2.

The cost of each workshop is $12 and at the end of it every child involved will take away their own lantern. Places will be offered on a first come, first served basis as the number of places available at each workshop is limited to 30 students.

Please complete the slip below and return it to the school office with your $12 payment if you would like your child to be involved in the lantern making workshops.

I look forward to seeing you all there with your lanterns on Saturday 22nd June 2013.

Please note: children taking part in the Lantern Parade must be supervised by a parent or by arrangement with an adult from another family.

NB. Lismore Lantern Parade offer workshops at their Lismore base. Any student who is unable to secure a place on the school workshops can make a lantern by contacting the organisers directly.

I would like my child __________________________ (child’s name) to be involved in the lantern making workshops.

My child is in Year ____________.

I enclose $12 for the workshop (this includes the cost of all materials). I will ensure that my child is supervised by an adult during the Lantern Parade on 22nd June 2013.
