Behaviour:  
In order for an excursion such as this to be a success, students need to be able to use their initiative and display maturity and reliability at all times. As a staff, we need to feel confident that the students who attend this excursion can be relied upon to make the right choices and do the right thing without constant reminders. Please stress to your child that whilst on this excursion they are representing our school, and that they should be on their very best behaviour at all times.

Unfortunately, any student who receives a school suspension at any point throughout the year will not be permitted to attend the excursion. This will result in a loss of deposit and possibly the loss of other payments made to date.*  
(*dependent upon the terms and conditions of the airline, hotel and various attractions)
