New Netball Hoops
Thank you to our wonderful P&C who have funded and installed two new Netball shooting hoops in the playground. The uprights will also double-up as posts for attaching the Volleyball net. A special word of thanks to Sally and Shane for giving up their weekend to cement the posts in the ground.

Parent Info session/DISCO/BBQ
Next Tuesday is our Parents’ Information night and student DISCO. The DISCO runs from 6.00-7.00pm and will be supervised by teachers. The P&C will run a BBQ from 5.30pm with sausage sandwiches for $2 and steak sandwiches for $3. Grab a snack and a hot drink at the canteen before the kids head off to the DISCO at 6.00pm and parents go to the school library for the Information Session which starts at 6.15pm. During the Information Session we will share with you some of the ways that we teach maths in school (and you may pick up some great ideas for how you can help the kids at home with their maths). The Information Session will end in time for you to collect the children from the DISCO at 7.00pm.

NAIDOC Celebrations
NAIDOC Celebrations take place throughout Week 10 this term. On Monday afternoon 22 June we will be holding our NAIDOC Assembly with ‘Welcome to Country’ by Aunty Hazel Rhodes; on Wednesday Solid Mob will be hosting the Amazing Race at Lismore Heights PS for Stage 3 students whilst younger students will take part in Aboriginal games; and on Thursday we will be travelling to the Lismore showground to take part in their NAIDOC celebrations. We require parents who can help with supervision during the Thursday Lismore event (25 June). The more helpers we get, the more students we can take. Please let the office know if you are able to help with supervision between 9.30am-1.30pm on the day. Thank you.

The Lantern Parade is next weekend (Saturday 20 June). We always have a good turn-out of students and family members who join us in the parade, and we hope that this year will be no exception.

Please remember that all students taking part in the parade will need to be accompanied by an adult.

Marching students and family members will each require a wrist band to gain entry into Oakes Oval at the end of the parade – this will allow them to watch the finale.

All students who made a lantern during the workshops this term will receive 2 (two) FREE wrist bands to get them and a supervising adult into Oakes Oval for FREE. Other accompanying adults can purchase a discounted wrist band for $5 from the school if they are joining the parade.

Accompanying children under 15 can obtain a FREE wrist band from the school. Please ensure that the form requesting additional wrist bands (attached to last week’s newsletter) is returned as soon as possible.

Mr Scotton will be collecting wrist bands early next week based on the number ordered. Marching students should meet at Victoria Road (next to the skate park) between 4.45pm — 5.00pm NO LATER!

School Uniform
Our new school shirts are available from the canteen for $25 each. Hats are $13 each.

The canteen is open from 9.30am – 12midday each day. There is also a supply of pre loved jumpers for $2 each
Dorroughby Excursion

Dorroughby was amazing!
At first we jumped on the bus and drove to Dorroughby, some people were excited some were a bit sad – but they got over it.
The bus took us to Rocky Creek Dam Rainforest where we had our lunch.
In the rainforest we took pictures. They were funny pictures. I love the creeks and trees. When we got back to Dorroughby we had afternoon tea which was cake and fruit. Yum yum.
For dinner that night we had sausages and salad and for dessert we had Neapolitan ice cream.
We had a bonfire with marshmallows. Some people cooked theirs and some didn’t. After all that we sang some songs. Then off to bed for everyone.
I slept on a bunk with Sarah, I was kind of scared of heights – but I got over it. The next day we had breakfast, got dressed and went to the dairy farm. I saw a big cow and a small cow called a calf. The cow gave lots of milk. Then we went back to Dorroughby.
That night we had spaghetti bolognese and ice-cream. Then on the last day we had breky, and I was sad because I did not want to go because we had so much fun.

On Tuesday Stage 2 went to Dorroughby for 3 days. Firstly the bus dropped our bags off at our cabins. Secondly the bus dropped us off at Rocky Creek Dam. We had lunch then we went for a walk. We made soap out of leaves. Then we walked back to our cabins. We saw a snake on the way. Then we had dinner. We had sausages and rissoles for dinner. Then we had ice cream for dessert. Then we hopped into bed.

First we said goodbye to our parents before the bell rang. We then marked the roll and hopped on the bus to go to Dorroughby.
When we got there we got our luggage off the bus then went to Rocky creek Dam.
When we got there we had morning tea and then went for a walk. We got split into two groups. I went with Christine. When we went on the bridge we saw a turtle but not a platypus.
We had an hour and half walk back to Dorroughby. We were split into four groups and made a shelter.

PBL Rule of the Week
WEAR A HAT

Please speak to your children about the importance of wearing a hat. Wearing a hat keeps the sun of their face whilst they are outdoors playing.

Thank You for supporting PBL

Barbecues are a great Australian way of social cooking and keeping the kitchen clean. They don’t need to always mean sausages: consider how you could turn it into something simple, nourishing and a whole lot more exciting.
Lean hamburgers or Vegie Burgers (homemade patties containing vegetables &/or lentils/beans) on bread rolls, served with
- coleslaw
- onions and tomato
- pepper & parsley
- BBQ capsicum and onion slices

Use wholemeal and multigrain varieties, no need to butter rolls. For small children offer mini burgers.

Offer BBQ vegies e.g. BBQ Corn Cobs, or skewer any of these vegies: eggplant, zucchini, mushrooms, onion, capsicum, celery and pineapple pieces for a delicious side dish. Happy cooking.
