Kindergarten Information Evening

At Lismore Heights Public School we understand that choosing the right school for your child is one of the most important decisions that parents ever have to make. Our Kindergarten Parent Information Session is designed to help make that decision easier for you.

If you have a child starting school in 2016, we would like to invite you to attend our Kindergarten Parent Information Session. This is an opportunity for you to meet our school Principal, Mark Scotton, and our team of wonderful teachers who make our school an exciting and stimulating place for children to learn, make friends and have fun!

**When:** Wednesday 10th June 5:00-6:00pm

**Where:** Lismore Heights Public School

Parent Info session/DISCO

On Tuesday 16 June parents and carers are invited to attend an Information Session whilst the students attend a DISCO at school. The DISCO runs from 6.00-7.00pm and will be supervised by teachers. Parents can grab a snack and a hot drink at the canteen before heading into the school library for the Information Session which starts at 6.15pm. During the Information Session we will share with you some of the ways that we teach maths in school (and you may pick up some great ideas for how you can help the kids at home with their maths). The Information Session will end in time for you to collect the children from the DISCO at 7.00pm.

We would like to respectfully acknowledge the Elders past and present of the Wijabul Wiyabal people and other peoples of the Bundjalung Nation.

We acknowledge that they are the first peoples of this land on which our school stands.

Zone Cross Country Report

Last Friday 30 children from Lismore Heights PS attended the Northern Rivers Zone Cross Country at Caniaba PS. A great day was had by all with some excellent success. Results were:
1st - Evelyn and Kynan. 2nd – Xanda C
3rd – Zane.

National Simultaneous Story time
Students in Kindergarten to Year 2 participated in National Simultaneous Story time on Wednesday. The activity is promoted by the Australian Library and Information Association and brings together over 450,000 children to read the same story at the same time right across Australia via Podcast. Each year a picture book by an Australian author or illustrator is chosen. This year the book we read was “The Brothers Quibble” by Aaron Blabey. It teaches us a lot about family relationships and the special bond siblings have. Look for it in libraries and book shops, as you will no doubt enjoy it as much as we did!

Lantern Workshop

On Thursday students had a great time making and decorating lanterns. These will be carried by the students in the Lismore parade on June 20.

PBL Rule of the Week
