‘Stranger Danger’ Alert!

There have been recent reports of two men, presumed in their 20’s or early 30’s, approaching school children in the Lismore area. No Lismore Heights PS students have been involved. The incidents have happened away from schools; with the most recent incident occurring after the student had got off a school bus and was walking the last part of the journey home. We have reinforced the message about ‘stranger danger’ in school, and have advised students to be extra vigilant at this time and to seek support from known adults if they are approached by any strangers. Please reinforce this message at home. Reports state that the two men may be connected with either a maroon car or a silver coloured car. Concerns about future incidents should be reported to the police immediately.

Star Staff!

Congratulations are extended to Mrs LeSueur and Mrs Rankin who this week both received Director’s Awards for their outstanding contributions to public education. We are so fortunate to have such dedicated and high performing staff at our lovely school. This year’s Lismore Education Week Awards Ceremony was held at Kadina High Campus, part of The Rivers community of schools.

Stage 1 Poetry

Students in Stage 1 have been writing Animal Poetry. Can you guess what Tylah’s animal is by his description?

It is orange and black.
Its eyes are sneaky.
His teeth are big and hard.
Its feet are orange and its claws are black and sharp.
He takes a step to follow the sound.
An elephant sound.
He jumps.
He lands on the elephant and he gets his claws out and puts them through.
There’s blood on his claws.

Swimming Term 4

Our annual intensive Swim School & Water Safety program runs again in Term 4. This is available to all students aged 8+ who are not yet able to confidently swim 25m unaided in deep water. The program runs for two weeks from Monday 12th October – Friday 23rd October and will be held at Lismore’s Memorial Baths. Tuition is FREE but students are required to pay entry to the pool and bus fare at a total cost of $55.00 for 10 days tuition. The intensive swim program not only represents excellent value for money, but offers an essential life skill for all students living on or near the coast.
